

First Step Program by CollegeInvest

Terms & Conditions for 2020, 2021 and 2022

General:

The First Step Program by CollegeInvest provides a \$100 contribution to the CollegeInvest account of a Beneficiary born or adopted in the State of Colorado on or after January 1, 2020. If you do not have a CollegeInvest account, you must open one prior to your application. The Account Owner must be a parent/legal guardian and the eligible child must be the Beneficiary.

The Account Owner must meet certain eligibility criteria as outlined in these Terms and Conditions.

No more than one application per Beneficiary will be accepted for a First Step contribution. Account Owners can submit separate applications for multiple Beneficiaries.

First Step awards in the calendar year of 2020 will be \$100 per Beneficiary. Thereafter, the rate will be adjusted periodically based on the cost-of-living adjustment.

Offering more opportunities for Colorado families to save for college, CollegeInvest will also match a portion of their future contributions. Participants who received their First Step award by December 31, 2022 will receive a dollar-for-dollar match of their contributions up to \$1,000 per year for five (5) consecutive years. Eligible contributions are contributions made by the Account Owner during the contribution period. Upromise, gift, rollover, employer, and other non-account owner contributions do not qualify. The contribution period is for a calendar year from January 1 through December 31 annually. The matching funds will be awarded by March 31, 2023, and each March 31 in subsequent years. Awards will be deposited into the Account Owner's CollegeInvest account. Contributions made by the Account Owner are tax deductible, but the matching funds are not tax deductible.

There is no guarantee that funding for this program in subsequent years will be available. Participants who claim their First Step award in 2023 or future years could receive a different match for their contributions. Those Terms & Conditions will be posted on the CollegeInvest website by January 1, 2023.
